Dear Board,

I am writing to request that my fine be waived or suspended. This was the first election I was ever involved in . I did provide all requested information regarding primary election. Regretfully we did not get into the general election. I was not aware that it was required to file additional reports for an election I was not participating in. I was informed after the due date that there were a few additional reports I was required to file. When it came to my attention I immediately filed those reports. I request this fine be waived or suspended at this time.

Sincerely,

Micheal Latino
